

Housing Development Funding Forum

CONNECTING NORTH COAST COMMUNITIES WITH FEDERAL AND STATE RESOURCES

The Oregon Field Office of the U.S. Department of Housing and Urban Development (HUD) is partnering with the Clatsop Regional Housing Taskforce and the Tillamook Housing Commission for a Housing Development Funding Forum.

Date: Thursday, February 23rd, 11:00 AM – 1:00 PM

Location: Seaside Civic & Convention Center, 415 First Avenue, Seaside, Oregon 97138

Goal: To support affordable housing development in the North Coast Region by creating partnerships and helping developers identify next steps in securing public funding. Local housing development partners will present on housing projects and the gaps they are facing to get the project fully committed. After each individual project presentation, funding agencies and partners will have an opportunity to ask questions and provide feedback on what resources are available to support the project in the next steps. The forum is designed to be a small event that allows for candid discussion and active brainstorming on how to best align resources for housing production.

Participants: HUD, U.S. Department of Agriculture Rural Development, Environmental Protection Agency, Northwest Oregon Housing Authority, Oregon Housing and Community Services, Business Oregon, Oregon Department of Land Conservation & Development, Columbia Pacific Economic Development District, Private and Non-Profit Developers, Local Elected Officials, Local County & City Staff, and Community Leaders
