Part 1 COMMON POLICIES

Section 101 PURPOSE AND APPLICABILITY

The purpose of the Telluride Affordable Housing Guidelines is to provide a comprehensive and consistent set of provisions that apply to housing created by the Town of Telluride and/or the Telluride Housing Authority through either its Land Use Code or through direct construction of Housing Units or the financing thereof.

- 101.1 The Guidelines are split into Parts and Appendices. However, due to the interdependence of the many aspects of the programs, they must be read as a whole. Part 1 summarizes the key Guideline provisions that are common to all Housing Programs covered by these Guidelines. Parts 2 through 8 are reserved for specific Housing Programs, and Part 9 outlines administrative procedure.
- 101.2 Each Housing Program is subject to provisions that are unique to that program. Such provisions are contained in the Part that applies to the Housing Program in question.
- 101.3 Every sale or rental of a Housing Unit shall be subject to the Guidelines in effect at the time of sale or rental. Owners and Tenants are subject to the Guidelines in effect as amended during their ownership or lease. However, Maximum Sale Price shall always be determined by the Deed Restriction for the Housing Unit. THA will require filing of a new Deed Restriction with updated terms at the time of sale or transfer of a Housing Unit.
- 101.4 Violations of these Guidelines are considered to be violations of the Telluride Municipal Code and are subject to the penalties adopted for such violations in addition to remedies provided herein.
- 101.5 These Guidelines are considered legislative rules and regulations in order to control and enforce any applicable Deed Restriction and/or covenant on real property and have the force and effect of law and can be enforced by THA or its authorized agents and/or representatives. These rules have binding effect on all individuals and courts. THA is authorized to establish fees or penalties for violations not to exceed the general penalty parameters of Telluride Municipal Code § 1-4-10(a)(2) (see Appendix E).

Section 102 GENERAL POLICY GOALS

- 102.1 The general goal of all Housing Programs covered by these Guidelines is to provide affordable housing for residents and their families who make a living primarily from Employment that requires their presence within the boundaries of the Telluride R-1 School District This is accomplished primarily by regulating and restricting occupancy and sale of the Housing Units covered by the Guidelines to “Qualified Households” as defined.
- 102.2 Certain Housing Programs also limit eligibility for ownership or occupancy to Qualified Households that meet specific economic means tests that may include both Household Income and Household Net Assets. Such tests of economic means are intended to promote economic diversity within the Telluride community.

- 102.3 Many of the Housing Units covered by these Guidelines are subject to price limitations for sale, resale and/or rental. These limitations are intended to insure affordability for both the current Household and for the long-term affordability of the Housing Unit.
- 102.4 These Guidelines are intended to provide for clear, fair and consistent administration of the Housing Programs to which they apply. It is recognized that there are individual Households and Housing Units that may not fit clearly within the specific provisions of the Guidelines but still meet these general policy goals. For these cases, Exception and Appeal processes have been established (see Section 109).
- 102.5 THA or its designee is authorized to adopt specific policy directives as necessary to clarify and aid in the application and enforcement of the Guidelines. Policy directives shall be adopted by THA at a properly noticed public meeting.
- 102.6 **DISCLAIMER:** The Town of Telluride expressly disclaims any and all warranties, express or implied, including without limitation fitness for a particular purpose with respect to the provision of Housing Units. The Town of Telluride does not represent, warrant or promise to construct, finance or otherwise produce, in whole or in part, any Housing Units pursuant to these guidelines or under any other programs. No Applicant may rely upon any promise implied or expressed that Housing Units shall be constructed, financed or otherwise produced, in whole or in part, by the Town of Telluride. In no event shall the Town of Telluride be liable to any Applicant for any direct, indirect, incidental, punitive, or consequential damage of any kind whatsoever, including without limitation lost profits, lost sales, lost business, lost opportunity, lost information, lost or wasted time. None of the information contained in these guidelines constitutes an offer to sell or the solicitation of an offer to buy a Housing Unit.

2. A Household will be able to acquire or maintain ownership of other property that is commercial or undeveloped residential property or is developed residential property outside the boundaries of San Miguel County with no effect on the Qualification, unless such ownership causes the Household to exceed the limitation on Net Assets contained in Section 103.2F.

F. Net Assets Standard

- 1. Total Household Net Assets shall not exceed two times the Original Purchase Price (“OPP”) of the Housing Unit. All Household members’ shares of business assets, including real estate, shall be included in determination of the Household Net Assets. See “Definitions” for further information.
- 2. A one-time gift of up to thirty percent (30%) of the OPP used only as a Down Payment for the purchase of a Housing Unit may be considered in Net Assets, and not as Income, for the purposes of initial qualification.
- 3. **Disposition of Assets** – Any member of a Household who has assigned, conveyed, transferred or otherwise disposed of property or other assets within the last two (2) years without fair consideration in order to meet the net asset limitation or the property ownership limitation shall be ineligible.

103.3 **Household Eligibility Criteria**

- A. **Income Eligibility Tiers** – In addition to the Qualification criteria, Eligibility criteria may differ between units that are targeted to different Tiers, as defined in Appendix A.

 - 2. The existence of more than one Eligibility Tier does not guarantee that the Town or THA will construct or otherwise make available housing in that Tier.
- B. **Household Size** – The total number of people in a Household shall not be less than the following Minimum Household Sizes:

Unit Type:	Minimum Household Size:
1 Bedroom/Studio	1 person

- C. Nothing in this policy shall be read to imply any limits on the discretion of Town and/or THA to make such a decision or to use criteria not included in this policy.

Section 104 INITIAL HOUSEHOLD APPLICATION PROCESS

- 104.1 Applications for qualification shall be made to THA. THA may request any combination of documentation reasonably related to proof of income, assets, and employment. Household shall sign a release of information so that THA may obtain such information. THA will require a sworn statement of the facts contained in the application including at least the following certifications:
 - A. that the facts contained in the application are true and correct to the best of the Applicant’s knowledge;
 - B. that the Applicant has been given the standard application information packet by THA Staff; and,
 - C. that the Applicant, on the basis of the application presented, believes that the Household qualifies to occupy the Housing Unit in question according to the Deed Restriction, these Guidelines and all other applicable procedures, rules and regulations.
- 104.2 Verification of Qualification and Eligibility Standards will be done:
 - A. upon request of THA due to the Household’s high ranking in an ownership lottery if applicable, or
 - B. upon the initial application to THA.
- 104.3 Any material misstatement of fact or deliberate fraud by the Household in connection with any information supplied to THA shall be cause for immediate expulsion from the application process and/or forced sale or vacation of the Housing Unit. In addition, any material misstatement of fact or deliberate fraud by the Household shall be considered a violation of the Town of Telluride Municipal Code which provides for additional penalties in such cases, including nullification of application.
- 104.4 **Homeowners Associations:** The Housing Unit may be subject to a homeowners association (“HOA”). HOA dues are authorized in Colorado under Colorado Revised Statutes §38-33.3-101 et seq. If applicable, all Owners of Housing Units are required to timely remit payment of HOA dues. Applicants should be aware that HOA dues may be substantial, and homeowners associations frequently have other interests and regulations that affect Housing Units. It is the Household’s responsibility to be aware of these interests.
- 104.5 All personal and financial information provided to THA Staff will be kept strictly confidential, except as follows:
 - A. Signed contracts between the Applicant or Household and THA or Town including but not limited to Contracts to Purchase a Housing Unit, Deed

Restrictions, any document to be recorded with the sale of the Housing Unit along with the Deed Restriction, and any document that would customarily be a matter of public record in the property records of the applicable jurisdiction;

- B. The names and lottery positions of all persons who have participated in any ownership lottery held per Section 308;
- C. Any other information that a court of competent jurisdiction rules must be released under the Freedom of Information Act or the Colorado Open Records Act;
- D. Personal and private information necessary for an independent audit of THA records, provided such person or entity provides authorization; and
- E. Personal and private information to the extent THA determines the information is necessary for its deliberation of a request for an Exception or for consideration during a violation hearing.

104.6 THA may require third-party verification for all self-employed Applicants at initial qualification and during compliance checks.

104.7 THA may employ outside accounting expertise to evaluate the reasonability of an Applicant's or Household's representations of Income and Assets. The expense for outside services shall be borne by the Applicant or Household.

Section 105 **CONTINUING HOUSEHOLD QUALIFICATION AND VERIFICATION**

105.1 THA requires Households, including all occupants of Housing Units, to maintain Qualified Household status on an on-going basis.

105.2 Changes to Qualified Households impact ongoing qualifications and may jeopardize qualification, such as a pending separation or divorce, the death of a Household member, or departure of a Household member, and the addition of Immediate Family members as defined, and shall be reported to THA within 30 days of said change. THA will make every effort to maintain stable housing for Households in transition, but shall require the Household to come into compliance within a reasonable period prior to issuing a Notice of Violation.

105.3 **Compliance Checks** – In order to verify compliance with Deed Restrictions and the Guidelines, THA will conduct regular Compliance Checks, and may initiate random Compliance Checks to investigate complaints or reports of non-compliance.

105.4 THA shall require Households to verify that they remain a Qualified Household within twenty-one (21) days of a written notice of Compliance Check or a penalty will be assessed (see Appendix E). Section 104.1 shall apply to Compliance Check submissions, and a sworn statement shall be required.

105.5 **Qualified Household Continuing Requirements** – Verification of the following shall be required:

A. **Continuing Employment Standard**

1. A Qualified Employee shall work a minimum of eight (8) of every twelve (12) months on a rolling twelve (12) month basis, and must work a minimum of forty (40) hours per month during the eight (8) months of employment.

2. Qualifying employment includes hours of employment for which presence is required within the boundaries of the Telluride R-1 School District and up to ten percent (10%) of the required hours may be filled by verifiable Volunteer Community Service within the boundaries of the Telluride R-1 School District.
3. Required minimum hours to maintain qualification are:
 - i. Tenants - 1000 hours on a rolling twelve (12) month basis for Tenants of a Housing Unit or of a room in or portion of a Housing Unit; or
 - ii. Owners - 1400 hours on a rolling twelve (12) month basis for Owners of a Housing Unit.
4. Qualified Elderly, Qualified Disabled and Immediate Family of Qualified Employees are exempt from the continuing employment standard.

B. Continuing Income Standard

1. Household earns a minimum of 75% of Gross Income in the Telluride R1 School District.
2. Qualified Owners are exempt from Income Eligibility Tier income limits.
3. The addition of Immediate Family members are exempt from Income Eligibility Tier income limits as long as the new members of Household are reported within the 30 day timeline. After 30 days, a hearing may be required to determine the Household's status.
4. Tenants must re-qualify annually with respect to income limits.

C. Continuing Residency Standard – Qualified Households shall occupy the Housing Unit for at least eight (8) of every twelve (12) months on a rolling twelve (12) month basis.

1. **Leave Of Absence** – In the event a Household wishes to not occupy the unit for a period of time exceeding four (4) months, the Household may apply to THA for a Leave of Absence for a term not to exceed two (2) years. The Household must provide clear and convincing evidence showing both a bona fide reason for leaving and a commitment to re-occupy the Housing Unit. THA shall condition the granting of the Leave of Absence on the Household's offering the Housing Unit for rent to a Qualified Household, during the period of the requested leave. THA may include other conditions, such as a Maximum Rental Rate, as it deems necessary. Applications for a Leave of Absence shall be made to THA according to the Exceptions Procedure in Section 109.2. Short-term rental of Housing Units is otherwise prohibited and is a violation of the Telluride Municipal Code.

D. Continuing Property Ownership Standard – The provisions of Section 103.2E "Property Ownership Standard" apply.

E. Continuing Net Assets Standard – The provisions of Section 103.2F "Net Assets Standard" apply. Exceeding the Net Assets Standard shall trigger a review by THA and Net Assets shall not exceed two and one half (2.5) times the Maximum Sale Price of the Housing Unit at the time of requalification.

105.6 Failure to timely complete the verification process is considered a serious breach of the Deed Restriction and violation of the Guidelines and shall be grounds for disqualification and forced sale or vacation of the Housing Unit as applicable. For any late submissions accepted, THA shall impose a Compliance Late Penalty (see Appendix E) for each day the submission is late.

Section 106 **SALE AND RESALE OF UNITS**

106.1 The initial sale of all Housing Units shall be in accordance with applicable lottery, wait list or other selection procedures as determined by the Town, which may vary depending on the specific Housing Program under which the Housing Units were created.

106.2 **Resale Options** – Sellers of Housing Units have the following options for advertisement and marketing of their units, unless otherwise limited by the Deed Restriction or the specific Housing Program under which the Housing Units were created:

- A. Seller may offer the Housing Unit for sale through a THA ownership lottery as set for the in Section 308; or
- B. Seller may advertise, market and sell a unit directly or list the unit with a real estate broker licensed to do business in the State of Colorado provided that:

Both Buyer and seller must execute a sworn statement affirming that the contracted sale price is the only exchange of value in the sale. Any exchange of value outside the contract sale price shall invalidate the sale in addition to being a violation of the Telluride Municipal Code and applicable provisions of Colorado Law which provide for additional civil and criminal remedies.

A. **Minimum Standards for Maximum Sale Price** – The Owner, Buyer and THA shall work together in addressing repairs necessary to bring a Housing Unit to Minimum Standards for Maximum Sale Price. Owners and Buyers shall use the following checklist of Minimum Standards for a sale at Maximum Sale Price, including but not limited to:

- Clean, odor-free interior;
- Carpets professionally steam-cleaned within two (2) days of closing;
- Appliances must be clean and in good working order;
- Surface scratches, marks, holes in doors, floors, walls, woodwork, cabinets, countertops, other than normal wear and tear, repaired;
- Walls in good repair and paint-ready;

- Tile grout in good repair, mold free and clean;
- Roof in good repair with no leaks (if home is a single family); and
- Safety hazards resolved.

B. **Mitigation of Repairs** – THA shall conduct a cursory inspection pointing out items that may show up in an inspection report; however, THA’s inspection does not take the place of the inspection done by an expert. The seller shall make identified repairs to bring the unit to Minimum Standards for Maximum Sale Price prior to closing. If a unit does not meet the minimum standards, THA may, at its discretion, require:

1. That the cost of necessary repairs be deducted from the closing sale price; or
2. That a credit be required from the seller to the Buyer; or
3. That the seller place into escrow the funds necessary to ensure satisfactory repairs, the balance of which, after necessary repairs, shall be returned to the seller.

106.4 **Disclosure of relevant contracts and information** – Both Buyer and seller of any Housing Unit must sign a release of information allowing THA to obtain copies of all documents relevant to the sale and must disclose all relevant information known to them. All financial information shall remain confidential except as noted in Section 104.5.

A. Relevant documents include but are not limited to:

1. the sales contract for the Housing Unit;
2. the Buyer’s application for financing and related documentation; and

B. Sellers must inform Buyers of any proposed or pending increases in homeowner association dues, as well as any proposed or pending assessments.

106.5 **Notification Required** –Written notice to THA shall be required for any pending change in financing or ownership of a Housing Unit. Failure to timely notify THA is considered a serious breach of the Deed Restriction and violation of the Guidelines and shall be subject to a Notification Required Penalty (see Appendix E) for each day the failure to notify persists.

A. Notice of intent to sell a Housing Unit must be given at least sixty (60) days prior to the sale of the unit on notice forms available from THA.

B. Notice of transfer of any interest in a Housing Unit must be given at least thirty (30) days prior to the transfer and will require the execution of a new Deed Restriction.

C. Notice of refinancing of a Housing Unit must be given at least thirty (30) days prior to closing of the loan and may necessitate the recording of a new Option to Purchase by the Owner and the note holder at closing.

106.6 **Consult with Staff** – Sellers are advised to consult with THA Staff prior to offering a Housing Unit for sale, in order to obtain the most current information about applicable Guidelines and processes, and to verify the Maximum Sale Price and other applicable provisions of the Deed Restriction concerning the sale.

106.7 **Independent Legal Counsel** – All sellers and Buyers of Housing Units are advised to consult independent legal counsel regarding the examination of title and all contracts, agreements and title documents. The retention of such counsel, or related services, shall be at Buyer's and seller's own expense. All fees due to THA shall be paid regardless of any action or services that the Buyer or seller may undertake or acquire.

106.8 **Title Company** – THA advises Buyers to use a local title company and escrow agent with experience in closings of Housing Units to close the sale transaction. The title documents involved in the closing of Housing Units are unique and technical. Mistakes in the closing documents are easily made and difficult to correct. Seller shall authorize THA to review the conveyance documents prior to closing.

106.9 **Fee** – At the closing of the sale, the seller, except when the seller is the Town or its designee, a Qualified Household or a Qualified Holder, will pay to THA a fee equal to 1% of the sales price. THA may instruct the title company to pay such fees out of the funds held for the seller at closing. THA may also waive the fee, or a portion thereof, in its sole discretion, to promote affordable housing. Seller is responsible for payment of the transaction fee. Fees due to THA shall be paid regardless of any action or services that the purchaser or seller may undertake or acquire.

106.10 **Deed Restriction** – THA shall prepare the Buyer's Deed Restriction, including the Option to Purchase, in accordance with the provisions of Section 108.

Section 107 **RENTAL PROCEDURES**

107.1 In cases where rental of a Housing Unit is permitted under the applicable Housing Program, the following shall apply:

A. **Households** – Households shall include all Tenants occupying the Housing Unit.

107.2 **Requirements for Occupancy of a Room or Portion of an Owner-Occupied Housing Unit**

- A. All Tenants must be qualified by THA prior to occupancy and/or execution of a Lease and requalified upon Lease renewal.

Section 108 DEED RESTRICTION

108.1 A Deed Restriction shall be applied prior to or concurrent with each sale or transfer by other means of a Housing Unit. Original executed and recorded documents will be maintained by THA or the Town of Telluride. Provisions herein regarding the form of the Deed Restriction are a summary of significant policies and should not be considered the complete and final Deed Restriction. Sellers and Buyers are advised to consult the Deed Restriction for the Housing Unit for complete specific language, which is the final authority for that Housing Unit.

108.2 The Deed Restriction shall specify:

- A. The Original Purchase Price ("OPP"). Each property Sale generates a new OPP, and necessitates execution of a new Deed Restriction. Transfer of a Housing Unit does not necessarily change the OPP, but does necessitate execution of a new Deed Restriction.
- B. The Maximum Rental Rate including provisions for any increases when applicable.
- C. The designated Income Eligibility Tier for the Housing Unit.
- D. The method of calculation of the allowed Maximum Sale Price ("MSP"). MSP shall be the OPP specified in the Deed Restriction,
 - 1. PLUS, the lesser of:
 - i. An increase in price of three percent (3%) per year from the date of purchase to the date of Owner's notice of intent to sell (compounded annually and prorated at the rate of .25 percent per each whole month of any part of a year); or
 - ii. The greater of:
 - The amount based on the Consumer Price Index, All Items, Denver-Boulder-Greeley CO, Urban Wage Earners and Clerical Workers (CPI-W) calculated as follows: the Original Purchase Price of the Affordable Housing Unit multiplied by the CPI-W index last published prior to the date of the Owner's notice of intent to sell, divided by the CPI-W as of the date of purchase, (in no event shall the multiplier be less than one); or
 - the amount based on the Consumer Price Index, All Items, U.S. City Average, Urban Wage Earners and Clerical Workers (CPI-W) or its successor index, published by the U.S. Department of Labor, Bureau of Labor Statistics, calculated as

follows: The Original Purchase Price of the Housing Unit multiplied by the CPI-W last published prior to the date of the Owner's notice of intent to sell, divided by the CPI-W as of the date of purchase, (in no event shall the multiplier be less than one).

2. PLUS, the costs of any public improvements for which assessments were imposed by any municipal special improvement district as created by or with the Town since the recordation date of the Deed Restriction;
 3. PLUS, the costs of Permitted Capital Improvements as defined, not to exceed five percent (5%) of the OPP or as determined by the Town on a project specific basis provided that:
 - i. Improvements are pre-approved by THA prior to commencement of any work or installation to be considered in the calculation of the MSP.

Proof of homeowners' association approval must be provided to THA prior to commencement of work.

Improvements must be properly permitted and inspected by the Town of Telluride Building Official if applicable.
 - ii. Improvements are documented by the Owner and submitted to THA.
 4. PLUS, the costs of Permitted Capital improvements exceeding five percent (5%) of the OPP that have been approved through the Exception Procedure in Section 109.2. In no case shall Permitted Capital Improvements exceed ten percent (10%) of the OPP. THA shall consider Permitted Capital Improvements by previous Owners to ensure that the MSP does not increase the Housing Unit's affordability in relationship to the targeted AMI.
 - i. Improvements are pre-approved by THA prior to commencement of any work or installation to be considered in the calculation of the MSP.

Proof of homeowners' association approval must be provided to THA prior to commencement of work.

Improvements must be properly permitted and inspected by the Town of Telluride Building Official if applicable.
 - ii. Improvements are documented by the Owner and submitted to THA.
 5. Less the Depreciation on Permitted Capital Improvements
 6. PLUS, any other costs allowed by THA or Town pursuant to policies in effect on the date of Household's notice of intent to sell.
- E. The Housing Unit may be used in a Home Occupation if:
1. proof of compliance with the Telluride Municipal Code Chapter 18 "Telluride Land Use Code" Article 2 Section 2-160, as amended, or its successor document, is provided to THA;
 2. HOA approval of the specific Home Occupation is filed with THA, if applicable;
 3. the business holds a current Town of Telluride business license; and

4. the business holds current Town of Telluride sales and excise tax licenses, if applicable.

THA does not make any guarantees of the Owner's ability to sell the Housing Unit for its Maximum Sale Price or rent the Housing Unit for its Maximum Rental Rate.

- 108.3 Violation of any of the covenants, conditions and terms of the Deed Restriction shall also be a violation of these Guidelines whether or not a corollary provision exists.
- 108.4 Deed Restrictions for price-restricted rental units shall include a provision conveying an interest in the unit or units to THA (or similar agency acceptable to THA) meeting the requirements of Colorado Revised Statutes §38-12-301. Such interest may include:

 - B. A Lease to THA of the unit or units with authorization to THA to sublet pursuant to these Guidelines, provided that THA assumes no liability by reason thereof. THA may in its sole discretion accept or reject any proposed conveyance or lease, or lease purchase agreement offered pursuant to this Section or to Section 208.5.
- 108.5 An Option to Purchase shall be granted by the Lender to THA and/or the Town of Telluride to redeem the Housing Unit in the event of default by purchasing the unit from the holder of the trustee's deed at the redemption price plus reasonable costs of the holder.
- 108.6 The Deed Restriction shall be binding on all Owners, successors and assigns including any holder of a deed in lieu of foreclosure.
- 108.7 The Deed Restriction, Option to Purchase, and any amendments thereto must be recorded in the property records of San Miguel County. The original executed and recorded documents must be returned to THA for their files.
- 108.8 Deed Restrictions may not be transferred off the property unless otherwise permitted by the specific Housing Program under which the Housing Units were created.
- 108.9 All Deed Restrictions must be prepared by THA. No modification or amendment to the Deed Restriction shall be effective unless agreed to in writing by THA.

Exceptions may be granted on a case-by-case basis, provided that THA finds such Exception will promote the provision of Affordable Housing. The Exception Procedure in

 - 5. To increase the total debt against the Housing Unit in excess of the OPP.

109.3 **Appeal Procedure**

 3. The THA Board shall address the appeal at the next scheduled board meeting. The appellant shall be afforded a fair hearing providing the basic safeguards of due process, including notice and an opportunity to be heard in a timely, reasonable manner. The THA Board may continue the hearing. The appellant and THA Staff shall have the opportunity to examine all documents, records and regulations of THA that are relevant to the hearing. Appellant shall be responsible for all photocopying expenses. Any document not made available after written request may not be relied upon at the hearing. Section 110 **LENDERS AND LOANS**

- 110.1 **Purpose** – This Section 110 is intended to meet the following goals in the facilitation of individual mortgage financing for Housing Units:
- A. Protect the public investment and regulatory integrity of the Town's overall affordable housing program in the short and long term;
 - B. Minimize the financial and other risks to THA and the Town's overall affordable housing program by prohibiting excessive debt or other obligations from being secured by Housing Units;
 - C. Minimize the chance that Owners will create a financial risk for THA through creation of debt or other secured obligations against their Housing Unit; and
 - D. Increase the potential financing opportunities for Applicants and Owners.
- 110.2 **Lenders and Mortgages** – Borrowers are restricted to either conventional or government guaranteed mortgages with a fixed rate from commercial banking and lending institutions authorized to engage in mortgage lending practices in the State of Colorado. All other mortgages will require an Exception from THA prior to purchase of a Housing Unit.
- 110.3 **Notification Required** –Owner shall notify THA immediately when a change in Qualified Household is anticipated. If THA determines the Household is qualified,

the Owner shall cooperate with THA to execute necessary documents including, but not limited to, a new Deed Restriction and Option to Purchase. Failure to notify THA shall be subject to a penalty (see Appendix E), and shall be considered a violation and grounds for loss of qualification status for the entire Household.

110.4 **Option to Purchase** – Lenders who are beneficiaries of any Deed of Trust executed in connection with the sale of a Housing Unit must sign an Option to Purchase, acknowledging the provisions of the Deed Restriction and granting a right to the Town of Telluride or to THA to purchase the unit in a foreclosure under certain conditions. The Owner shall notify THA immediately when a refinance of a mortgage is anticipated and shall fully cooperate in securing the required signatures for a new Option to Purchase. Failure to notify THA shall be subject to a penalty (see Appendix E) and shall be considered a violation and grounds for loss of qualification status for the entire Household.

110.5 **Total Debt** – Prior to and continuing after closing on a Housing Unit, Owners shall not incur debt, judgments, liens or other obligations secured by the Housing Unit and in no event shall any obligation secured by the Housing Unit exceed the total Original Purchase Price of the unit. This limitation shall apply also to any refinance of existing debt secured by the Housing Unit. Owners must notify THA prior to finalizing any refinancing of the Housing Unit. Failure to notify THA shall be subject to a penalty (see Appendix E). Owners and Lenders shall cooperate in obtaining new signatures for any new Options to Purchase that may be necessary.

Any debt, lien or other obligation (or any portion thereof) that either exceeds the OPP or for which an Option to Purchase has not been granted to THA shall be considered an unsecured obligation.

110.6 **Co-Borrower or Co-Signor** – Co-borrowers or Co-signors who are not part of the Qualified Household must apply and be approved through the Exception Procedure in Section 109.2. Approved co-borrowers and Co-signers shall be required to sign a separate agreement to sell the Housing Unit in the event the Qualified Owner becomes an Unqualified Owner, is in default under its Deed Restriction or the Guidelines, or is otherwise required to sell the Housing Unit. Such Co-signors and co-borrowers shall not occupy the unit unless qualified by THA.

Part 2 HOUSING MITIGATION PROGRAM

Section 201 PURPOSE AND APPLICABILITY

- 201.1 The Housing Mitigation Program applies to Housing Units created by Land Use Code requirements for developers constructing buildings containing certain types of uses to partially mitigate the employee housing impacts of their development. The Land Use Code establishes a minimum amount of square footage of Affordable Housing which is to be provided by the developer concurrently with the construction of the development.
- 201.2 The Housing Mitigation Program covered in this Part 2 applies to all development subject to the provisions of the Town of Telluride Land Use Code, including any amendments thereto for which a completed application was submitted to the Town Planning Department after the date on which the Telluride Town Council approved these Guidelines. These Guidelines shall also apply to all developments which have contractually agreed to abide by the requirements of the Town of Telluride Land Use Code for Affordable Housing, including any amendments thereto.
- 201.3 Provisions of the Housing Mitigation Program also apply to the Wilkin Court project, which was developed to mitigate the Affordable Housing impacts of new construction by the Town of Telluride.

Section 202 PROGRAM POLICY GOALS

The Housing Mitigation Program aims to provide Affordable Housing to offset the impacts and needs created by development, and to inform developers of property within the Town of Telluride of the standards and guidelines for construction and sale or rental of housing as required by the Land Use Code, including any amendments thereto.

Section 204 **INITIAL HOUSEHOLD APPLICATION PROCESS**

Application for purchase or occupancy of Housing Mitigation Units shall be according to the general Initial Household Application Process contained in Section 104.

Section 205 **CONTINUING QUALIFICATION**

The unit must be sold for no more than the sale price specified in, or calculated pursuant to, the Housing Unit's Deed Restriction. The Initial Sale Price standards and methodology for calculating Initial Sale Prices may be found in Appendix B.

- A. Initial Sale Prices are calculated and fixed at execution of the original Deed Restriction for the Housing Unit pursuant the methodology outlined in Appendix B and shall be recorded in the Housing Unit's Deed Restriction as the Original Purchase Price [OPP] regardless of whether the unit is offered for sale or for rent.
- B. For projects comprised of Affordable Housing within single family, duplex or triplex structures the THA Subcommittee may, at its sole discretion and through the Exception Procedure in Section 109.2, approve increases of an Initial Sale Price (ISP) up to a maximum of ten percent (10%) above that specified in Appendix B, provided that:
 1. the project is comprised of at least two (2) Affordable Housing units;
 2. for each unit proposed to have an ISP above the maximum specified in Appendix B, a minimum of one unit shall have an ISP below the maximum specified in Appendix B;
 3. the total amount of square feet to be deed restricted for the unit priced below the ISP specified in Appendix B is greater to or equal to the total amount of square footage deed restricted for the unit priced above the ISP specified in Appendix B;

4. the total value (the units' square footage multiplied by the ISP specified in Appendix B) of the project shall not be greater than the value resulting from the standard application of the ISP specified in Appendix B; and
5. it is demonstrated and the Subcommittee finds the variance will benefit the Town's overall affordable housing program.

206.2 **Resale** – Resale of Housing Mitigation Units is subject to the provisions of Section 106.

Section 207 **RENTAL PROCEDURES**

207.1 In cases where rental of Housing Mitigation Housing Units is allowed, the general Rental Procedures contained in Section 107 shall apply and compliance with the provisions of Section 208.3 is required.

207.2 Standards for the rental of Housing Units in the Housing Mitigation Program.

- A. Rental Affordability Standards – Affordability Standards are based on Maximum Rental Rates which are targeted at thirty percent (30%) of Household Income for the target group. Maximum Rental Rates and methodology for calculating Maximum Rental Rates are found in Appendix B.
- B. Maximum Rental Rates in Appendix B include, and may not be increased to pay for, the cost of utilities, condominium dues, management costs and/or taxes. In the event that utilities are paid by the Tenant, THA shall establish the Maximum Rental Rate using HUD utility allowances.
- C. Rental rates shall apply whether the units are provided furnished or unfurnished.
- D. The Owner of Affordable Housing rental units, at its cost and expense, must keep and maintain the interior and exterior of the total structure (including all residential units therein) and the adjacent open areas in a safe and clean condition and in a state of good order and repair, reasonable wear and tear and negligent or intentional damage by tenants excepted. In the event of a dispute between Owner and Tenant in regard to this requirement, either party may request an inspection of the premises and/or a hearing on the facts of the case to resolve the dispute, according to the THA Grievance Procedures in effect at the time of the dispute.

Section 208 **DEED RESTRICTION**

- 208.1 Housing Units created under the Housing Mitigation Program must be deed restricted prior to issuance of a Certificate of Occupancy in accordance with the requirements of Section 108. In addition, prior to issuance of any Certificate of Occupancy, the Deed Restriction shall be amended, if necessary, to reflect changes approved by THA and governing bodies which may have occurred during construction or conversion of the units(s) (e.g., net livable square footage).
- 208.2 Deed Restrictions for Housing Mitigation Units must meet the requirements of the Town of Telluride Land Use Code in addition to the general requirements of these Guidelines.
- 208.3 Deed Restrictions for price-restricted rental units shall include a provision conveying an interest in the unit or units to THA (or similar agency acceptable to THA) meeting the requirements of Colorado Revised Statutes §38-12-301. Such interest may include:
- A. A fractional undivided ownership or trustee interest provided that THA shall be indemnified against any and all liability by reason of its interest.
 - B. A Lease to THA of the unit or units with authorization to THA to sublet pursuant to these Guidelines, provided that THA assumes no liability by reason thereof. THA may in its sole discretion accept or reject any proposed conveyance or lease, or lease purchase agreement offered pursuant to this Section 208.3 or to Section 208.5.
- 208.4 Deed Restrictions may be transferred from one unit to another unit upon compliance with the following procedures and standards and with approval by the Director of Planning.
- A. The Applicant must file an amended Housing Mitigation Plan (see Section 209) identifying and including:
 - 1. the original project and its Affordable Housing mitigation requirements;
 - 2. the legal description and square footage of each unit to be released from a Deed Restriction;

 - B. Each unit on which a new Deed Restriction is to be placed must be a free market unit, of at least the same square footage of the unit to be released from a Deed Restriction, and otherwise meeting all other requirements for housing offered in mitigation.
- 208.5 The requirement that a unit or units be subject to a Deed Restriction may be satisfied by the execution and recordation of a lease-purchase agreement provided that the lease payments do not exceed the Rental Standards, the

purchase price does not exceed the Sale Standards, the lease purchase agreement is a minimum of three years and maximum of five years duration, and that upon sale the unit or units shall be subject to a Deed Restriction as provided for herein.

Section 209 HOUSING MITIGATION PLAN

- 209.1 The provisions of Article 3, Division 7 of the Town of Telluride Land Use Code require the filing of a Housing Mitigation Plan for each project. Prior to issuance of a Certificate of Occupancy for any portion of the project, the provisions of Article 3, Division 7 of the Land Use Code and all applicable provisions of these Guidelines must be met.
- 209.2 In addition, units constructed to meet the Land Use Code provisions must meet the construction standards contained in Section 210.

Section 210 STANDARDS OF SIZE AND CONSTRUCTION

- 210.1 The Land Use Code specifies a certain amount of square footage of Affordable Housing which must be provided concurrently with the construction of a proposed development. The developer must provide a Housing Impact Mitigation Plan to THA for its review as part of the development application, together with the fees specified in the Land Use Code. The standards of unit size and construction required for mitigation units are set forth herein.

Unit Size Standards

Unit Type:	Minimum Square Feet:	Maximum Square Feet:
1 Bedroom/Studio	450	600
2 Bedroom	750	950
3 Bedroom	950	1.200
4 Bedroom	TBD	TBD

(unit sizes are net livable square footage, including perimeter walls)

- 210.2 **Income Tier Distribution** – Based on the amount of square footage required to be provided, units deed restricted under this Housing Mitigation Program shall be divided between the two Income Tiers as follows:
 - A. If **less than 1000 square feet** of Affordable Housing is required, all square footage shall be provided in Tier 1 units.
 - B. If **at least 1000 square feet, but less than 2000 square feet** of Affordable Housing is required, at least 1000 square feet of the required Affordable Housing must be provided in Tier 1 units.
 - C. If **2000 square feet or greater** of Affordable Housing is required, at least 50% of the required square footage must be provided in Tier 1 units and the remainder may be Tier 2 units.
- 210.3 **Housing Size Distribution** – Based on the amount of square footage required to be provided, units deed restricted under this Housing Mitigation Program shall meet the following size standards:

- A. If less than 1000 square feet of housing is to be constructed, there is no minimum number of bedrooms.
 - B. If greater than 1000 square feet of housing is to be constructed, a minimum of one 2-bedroom or one 3-bedroom unit shall be required.
 - C. For each full integral multiple of 1000 square feet of required housing to be constructed, an additional 2-bedroom or 3-bedroom unit shall be required. (e.g. A housing requirement of 2150 square feet would require two 2-bedroom or 3-bedroom units, but a housing requirement of 1800 square feet would only require one).
- 210.4 Minimum square footage is the actual minimum square footage allowed to be constructed or otherwise provided under the provisions of the Land Use Code. Maximum square footage is the maximum amount of square footage which may be credited against the required square footage for a given unit type, regardless of the actual size of the unit provided. In addition to the provisions of Section 210.2, for projects which have Affordable Housing comprised of single family, duplex or triplex structures, the THA Subcommittee may, at its sole discretion, approve increases to Maximum Square Footage for each Unit Type up to twenty five (25) square feet per bedroom if it is demonstrated and the THA Subcommittee finds the variance will benefit the overall affordable housing program.
- 210.5 Unit types larger than three bedrooms will be counted as 3-bedroom units.
- 210.6 All newly constructed deed restricted Affordable Housing Units must comply with the applicable building codes in effect in the Town of Telluride and with all rules, regulations and codes of all governmental bodies and agencies having jurisdiction.
- 210.7 All deed restricted Affordable Housing Units must have a fully equipped kitchen and a full bathroom, areas for living and sleeping and designated areas for storage. Areas designated for sleeping and/or bedrooms shall be a minimum of 100 square feet, with a minimum width dimension of 10 feet. THA shall be the final judge of the adequacy of facilities provided in the unit.
- 210.8 For multi-unit projects that have Affordable Housing requirements of
- A. **less than 1430 square feet**, at least 1000 square feet of the required square footage shall be provided above grade.
 - B. **1430 square feet or greater**, at least 70% of the required square footage shall be provided above grade.
- 210.9 GREEN BUILDING INCENTIVES: The Town of Telluride requires all residential new construction, additions and remodels to comply with green building regulations. Additional incentives may be available to construction of Affordable Housing that exceeds the minimum required standards and may be applied for as an Exception following the procedure in Section 109.2.
- 210.10 CERTIFICATE OF OCCUPANCY: Prior to the issuance by the Building Department of a Certificate of Occupancy, the developer must submit an "As Built" Certification to the Building Department with copies to the Planning Department and to THA.

Section 211 **ALTERNATE FORMS OF PROVIDING REQUIRED HOUSING**

211.1 The Land Use Code allows for alternate forms of providing required Affordable Housing requiring THA approval.

- A. The purchase of a unit on the open market and placing a Deed Restriction thereon.
- B. Construction of dormitory/shared facility units.

211.2 Open Market Units – Open-market units proposed to be deed restricted in order to satisfy the requirements to provide Affordable Housing are subject to the following requirements:

- A. Developers may deed restrict units by either:
 - 1. purchasing an open-market unit, placing a Deed Restriction on that unit, and reselling the unit to a Qualified Household; or,
 - 2. purchasing the right to place a Deed Restriction on an open-market unit from the current owner.
- B. It is the developer's responsibility to demonstrate approval by the homeowners association for the open-market unit proposed for deed restriction, including any limitations on the HOA dues for the Housing Unit.
- C. It is the developer's responsibility to demonstrate approval by the jurisdiction in which the proposed unit is located for any unit proposed to be deed restricted to provide Affordable Housing, including approval of the provisions of the Deed Restriction.
- D. Units so deed restricted are subject to all size and construction standards and notes, except that THA may consider an Exception to the size standards on a case by case basis. An Exception to the size standards shall not be greater than 100 square feet from the minimum or maximum allowable square footage per Section 210.1 (e.g. THA may not approve a 2-bedroom unit smaller than 650 square feet or larger than 1,050 square feet). A developer may request this Exception in its Housing Impact Mitigation Plan or may apply for such Exception as an amendment to the Housing Impact Mitigation Plan.
- E. Any existing unit which is to be deed restricted must be in a good state of repair and condition. Acceptance of existing units shall be at the sole discretion of THA. If accepted by THA, existing units must meet the Standards set forth in Section 106.3 in addition to meeting the following criteria, unless a variance from these requirements is approved by THA:
 - 1. units must be freshly painted in the interior, and exterior walls shall be freshly painted within one year of dedication;
 - 2. all appliances must be in good condition and working order;
 - 3. yards and landscaping, windows, heating, plumbing, and electrical systems and equipment shall be in good condition and working order;

 - F. The Applicant shall bear the costs and expenses of any required upgrades as well as any structural/engineering reports required by THA to assess the suitability for occupancy and compliance with required standards.
 - G. In order to complete an inspection pursuant to Section 211.2E and to receive approval for deed restricting an existing unit, the Developer must pay an Inspection Fee (see Appendix E) to THA, which is not refundable, but which will be credited against any THA Staff time and expense necessary for the approval.
 - H. Approvals for deed restricting open market units shall be considered according to the Exceptions Procedure in Section 109.2.
- 211.3 Dormitory or Shared Use Facility – Developers may propose to satisfy the requirement to provide Affordable Housing by providing dormitory or shared facility units subject to the following provisions:
- A. Acceptance of dormitory or shared facility units shall be at the sole discretion of THA; and
 - B. Approvals for Dormitory or Shared Facility Housing shall be considered according to the Exceptions Procedure contained in Section 109.2.

- B. THA shall open an ownership lottery as follows:
 1. Notice of the date, time and location at which applications will be taken shall be published as a Legal Notice in a newspaper of general circulation in the Telluride region. Such notice shall be published at least twenty-one (21) days prior to the close of the application period, which application period shall be a minimum of fourteen (14) days.

In addition, a Household must submit a letter from a mortgage lender, stating the Household's ability to pre-qualify for a mortgage.

2. In order to participate in a lottery, Households must sign the sworn statement described in Section 104.1.
3. If a Household cannot sign the sworn statement, or if a Household does not provide THA Staff with information required to process the application, then it will not be eligible to be entered into the lottery.

308.3 Lottery Order

- A. THA shall only accept lottery applications during the time period specified in the Legal Notice. Mailed applications shall be considered received in the proper time period if postmarked at least two (2) days prior to the last day of the application period and received within two (2) business days after the application period closes.  1. The Lottery Point System may be modified as necessary by THA.

- D. Applicants not pursuing conventional loans (loans pursuant to Section 110.2) must receive an Exception. This Exception request will not, of itself, make the Applicants unqualified for the lottery.
- E. Applicants not meeting the minimum Household size pursuant to Section 103.3B must receive an Exception. This Exception request will not, of itself, make the Applicants unqualified for the lottery.
- F. Applicants not meeting the Employment Requirement pursuant to Section 103.2B.1. , Section 103.2B.2. and/or Section 103.2C must receive an Exception. This Exception request will not, of itself, make the Applicants unqualified for the lottery.
- G. Lotteries are subject to the following guidelines:
 1. A lottery must be conducted in a duly noticed public meeting of the THA Subcommittee.
 2. An independent San Miguel County resident with no direct stake in the lottery outcome shall be invited to draw the Applicant names.

3. Once an Applicant's name is drawn, any further instances of that Applicant's name drawn are recorded but ignored in establishing the order of Applicants.
 4. The results of the lottery shall be posted and certified by the resident drawing the names as soon as practically possible after the drawing.
 5. The order in which applicant names are drawn in the lottery shall determine the order in which Applicants are contacted to purchase the Housing Units offered in the lottery (except for handicapped-accessible units as noted in Section 308.3H).
 6. These procedures will also be followed to establish the order of the unqualified Applicants. Unqualified Applicants will not be offered a unit until all Qualified Applicants have been offered a unit to purchase based on their preference list. In addition, prior to being offered a unit the Applicant must have been provided an Exception per Section 109.2.
- H. Appendix A: Income Eligibility Tiers

Area Median Income and Income Limits

Area Median Income is currently determined by the following procedure:

1. Use the most recently updated US Department of HUD “Very Low Income” figures for San Miguel County, Colorado for 1-, 2-, 3-, and 4-person households. These are 50% of Area Median Income, so Area Median Income is double these figures. The 100% AMI is multiplied by each percent to establish the AMI’s for the Guidelines.
2. THA Staff shall update as new US Department of HUD “Very Low Income” are released.

Based on this procedure, the Area Median Incomes for San Miguel County are:

Table 1. San Miguel County Area Median Income (AMI*) Eligibility

	Household Size					
	1 person	2 person	3 person	4 person	5 person	6 person
100% Area Median Income	\$67,000	\$76,500	\$86,100	\$95,600	\$103,300	\$110,900

Appendix B: Initial Sale Prices and Maximum Rental Prices

ALLOWED RENT AND SALE PRICES

It is generally accepted in the affordable housing field that housing is affordable if either

(1) the total of rent and utilities or

(2) the total of mortgage payment, insurance, taxes and HOA dues is not more than 30% of monthly gross income. This standard forms the basis of the allowed rents and sale prices.

In calculating allowed prices on a square footage basis, it is assumed that a Household earning the target income for the unit will occupy a unit at the mid-point of the allowed square footage range for a given number of bedrooms.

Calculation of **Maximum Rental Rate** (total of rent and utilities) is accomplished by dividing the Target Income by 12 and multiplying the result by 30%. Expressed in MS Excel format:

Maximum Rental Rate
=TargetIncome/12*30%

The Maximum Rental Rate is also the allowed payment for a monthly mortgage payment (including also the taxes, insurance and HOA dues escrow payments). Calculation of the **Allowed Initial Sale Price** assumes a 30-year fixed rate mortgage with a down payment of 5% of the purchase price. This calculation can be simplified by choosing a higher than market interest rate instead of attempting to quantify the escrow portion of the monthly payment. Since recent interest rates for a 30-year fixed rate mortgage have been close to 6.5%, using an effective interest rate of 7.25% gives a generous cushion for the escrow payments. Expressed in MS Excel format:

Allowed Initial Sale Price
=-PV(InterestRate/12,360,AllowedGrossRent)/(1-DownPaymentPercentage)

Calculating the above prices on a square footage basis requires dividing the Allowed Maximum Rental Rate and Allowed Initial Sale Price above by the mid-point square footage for a given bedroom size. Mid-points (based on the square footage limits from Section 210.1) are:

Unit Type:	Min Square Feet:	Mid Point:	Max Square Feet:
1 Bedroom/Studio	450	525	600
2 Bedroom	750	850	950
3 Bedroom	950	1,075	1,200
4 Bedroom	TBD	TBD	TBD

For the purposes of calculating Rental Affordability Standards in Section 207.2A, the Mid-point in the table shall be used with no adjustment for specific Unit Size.

Initial Sale Price Standards

Initial Sale Prices shall be calculated by multiplying the actual square footage of the unit (but not to exceed the maximum square footage of the unit type found in Section 210.1 unless modified as allowed) times the maximum price per square foot found below (unless modified as allowed), for the unit type.

Tier 1 Initial Sale Prices

Unit Size:	Income Target:	Maximum Initial Sale Price:
1 Bedroom/Studio	70% of 1 Person AMI	\$345 per square foot
2 Bedroom	90% of 2 Person AMI	\$312 per square foot
3 Bedroom	90% of 3 Person AMI	\$278 per square foot
4 Bedroom	TBD	TBD

Tier 2 Initial Sale Prices

Unit Size:	Income Target:	Maximum Initial Sale Price:
1 Bedroom/Studio	90% of 1 Person AMI	\$443 per square foot
2 Bedroom	110% of 2 Person AMI	\$382 per square foot
3 Bedroom	110% of 3 Person AMI	\$340 per square foot
4 Bedroom	TBD	TBD

Tier 3 – Housing Units are no longer being added to Tier 3, so Initial Sale Prices are not defined.

Tier 4 Initial Sale Prices

Unit Size:	Income Target:	Maximum Initial Sale Price:
1 Bedroom/Studio	130% of 1 person AMI	\$640 per square foot
2 Bedroom	150% of 2 person AMI	\$521 per square foot
3 Bedroom	150% of 3 person AMI	\$463 per square foot
4 Bedroom	150% of 4 person AMI	\$369 per square foot

Rental Affordability Standards

Tier 1 Maximum Rental Rate

Unit Size:	Income Target:	Maximum Rental Rate:
1 Bedroom/Studio	70% of 1 Person AMI	\$1173/month less Utility Allowances
2 Bedroom	90% of 2 Person AMI	\$1721/month less Utility Allowances
3 Bedroom	90% of 3 Person AMI	\$1937/month less Utility Allowances
4 Bedroom	TBD	TBD

Tier 2 Maximum Rental Rate

Unit Size:	Income Target:	Maximum Rental Rate:
1 Bedroom/Studio	90% of 1 Person AMI	\$1508/month less Utility Allowances
2 Bedroom	110% of 2 Person AMI	\$2104/month less Utility Allowances
3 Bedroom	110% of 3 Person AMI	\$2368/month less Utility Allowances
4 Bedroom	TBD	TBD

Tier 3 Maximum Rental Rate

For Tier 3 units with permission to rent, the rental standard for Tier 1 units will be followed to calculate Maximum Rental Rate.

Tier 4 Maximum Rental Rate

Unit Size:	Income Target:	Maximum Rental Rate:
1 Bedroom/Studio	130% of 1 person AMI	\$2178/month less Utility Allowances
2 Bedroom	150% of 2 person AMI	\$2869/month less Utility Allowances
3 Bedroom	150% of 3 person AMI	\$3229/month less Utility Allowances
4 Bedroom	TBD	TBD

Appendix C: Payment-In-Lieu Fee

The Payment-in-Lieu (PIL) fee is based on the difference between the market price of housing and the price that is affordable to households with incomes that are targeted by the Telluride Affordable Housing Guidelines. The following method shall be used by the Town Planning Department staff to calculate the PIL fee, which shall be calculated annually by April 30 each calendar year:

Step One – Compile Free Market Dwelling Unit Sales Prices

Utilize the Multiple Listing Service (MLS) to find real estate sales within the following parameters:

- Sales that occurred within the previous 3 calendar years; and
- Free Market Dwelling Units*; and
- Units within duplex or multi-family developments; and
- Studio, 1, 2, or 3 bedrooms; and
- Within the Telluride Region as defined in the Telluride Master Plan

* Free Market means units that are not subject to use or occupancy restrictions, such as restrictions that require accommodations uses for any period of time or housing Deed Restrictions.

Step Two – Determine Free Market Dwelling Unit Average Sales Price Per Square Foot

Determine the average sales price per square foot of all Free Market Dwelling Units from Step One by dividing the sum of all average sales prices per square foot by the total # of sales.

Step Three – Determine Affordable Average Sales Price Per Square Foot

Using the Tier 1 Initial Sales Price table in the Telluride Affordable Housing Guidelines, determine the average allowed initial sales price per square foot for 1 Bedroom/Studio, 2 Bedroom, and 3 Bedroom Tier 1 units combined (the sum of the allowed initial sales prices for per square foot for 1 Bedroom/Studio, 2 Bedroom, and 3 Bedroom Tier 1 units divided by the number of unit types).

Example:

Tier 1 Initial Sales Price Table from the Telluride Affordable Housing Guidelines, July 2017:

Unit Size:	Income Target:	Maximum Initial Sale Price:
1 Bedroom/Studio	70% of 1 Person AMI	\$284 per square foot
2 Bedroom	90% of 2 Person AMI	\$258 per square foot
3 Bedroom	90% of 2.5 Person AMI	\$217 per square foot

$\$284 \text{ per square foot (1 Bedroom/Studio)} + \$258/\text{square foot (2 Bedroom)} + \$217/\text{square foot (3 Bedroom)} / 3 \text{ unit types} = \$253 \text{ per square foot Affordable Average Sales Price}$

Step Four – Calculate the Market-Affordability Difference

Subtract the Affordable Average Sales Price Per Square Foot from the Free Market Dwelling Unit Average Sales Price Per Square Foot. The resulting difference is the Payment-in-Lieu fee.

Example Calculation:

Free Market Dwelling Unit Average Sales Price Per Square Foot = FM Price

Affordable Average Sales Price Per Square Foot = AH Price

FM Price – AH Price = Payment-in-Lieu Fee

Based on this methodology, the Payment-in-Lieu Fee as of January 31, 2018 was \$458.
