

CITY OF CANNON BEACH

HYDRANT USE PERMIT (One form per hydrant / non-transferable)

Permit #. _____

Applicant Name: _____

Mailing Address: _____

Phone: _____

Operator of Hydrant: _____

Hydrant Location: _____

Application Date: _____ Hydrant Use Date: _____

Size of Hauling Truck: _____ Anticipated Water Use (Gallons): _____

Purpose of Hydrant Use:

Terms and Conditions:

A \$10.00 non-refundable fee is charged for the first day of usage and \$10.00 charge for each additional day, plus consumption. Instructions:

1. It is understood that applicant will be responsible for any damage, loss, or theft of or to the equipment.
2. Never separate the connected check valve from the meter or disassemble any part of the metering device. Any failed metering device is to be returned immediately to the Water Division. Users shall be held responsible for any damage to the metering device, including repair or replacement costs.
3. Water from a fire hydrant is NOT intended for human consumption.
4. Always open and close the fire hydrant SLOWLY.
5. Always open and close the fire hydrant COMPLETELY.
6. All water drawn from the fire hydrant shall pass through the issued metering assembly.
7. Use only a hydrant wrench. If you do not have one, one will be provided by the Water Division with a deposit of \$50.00.
8. *A copy of this Fire Hydrant Use Permit must be kept in the vehicle or on the job site (the location where the hydrant is being used) and must be presented upon request.*
9. *It is the responsibility of the applicant to notify the Water Division when finished using hydrant meter.*

This permit is for the date(s), time(s), specific hydrant and purpose applied for. Uses outside the bounds of this permit are subject to fines imposed under "Theft of services", ORS 164-125

I have read and understand the terms and conditions for the permitted use of this hydrant.
