

Sunset Empire Amateur Radio Club (SEARC)

About Us

SEARC's mission is to design, install, and maintain a robust system of emergency communications in Northwest Oregon and Southwest Washington; and to provide education about amateur radio. Created in 1931, SEARC is comprised of dedicated and proficient volunteers who, using technology that is not internet reliant, strive to live up to its anthem:

We Connect Communities.

Core Services

- Install & maintain emergency communications
- Local Training, Testing and Education
- Volunteer
