A dune riddle...

Dear Mayor and City Councilors,

These pictures were all taken Saturday, 9/21/2019. They are of the 5th Street beach access and the dunes to the west of Breakers Point.

**Question: What do all of these pictures have in common?**

(Answer at the bottom)
Answer: **FOOTPRINTS!**

We have heard several people claim this beach is not accessible.

If this were truly the case... who is making all of these footprints?

Thank you,
Jeff & Jennifer Harrison
